TOURETTE ASSOCIATION OF AMERICA (TAA) NEW YORK CENTERS OF EXCELLENCE CONSORTIUM

The New York State Centers of Excellence Consortium for Tourette Syndrome consists of four outstanding academic institutions and their affiliated Health Systems across New York State. Each Center includes multi-disciplinary faculty with national and internationally acclaimed expertise in the diagnosis and treatment of Tourette Syndrome and other Tic Disorders, and associated conditions across the lifespan, maintains close ties with its local TAA Chapter, and works collaboratively within the Consortium to promote increased awareness and care for people and families living with Tourette Syndrome / Tic Disorders in New York State.

Services offered among the New York State Centers of Excellence Consortium include:

- Adult and Pediatric Neurology with expertise in Movement Disorders providing evidence-based treatments, Botulinum Toxin, TMS, DBS
- Child, Adolescent and Adult Psychiatry with expertise in complex psychopharmacological treatments of TS / Tic Disorders and psychiatric co-occurring conditions
- Psychology including Cognitive Behavioral Therapy (CBIT), Comprehensive Behavioral Intervention for Tics (CBIT), Parenting Skills Training, Neuropsychological and Psycho-educational Testing
- Occupational, Physical, and Speech Therapy
- Cutting Edge Translational Research
- Phases II-IV Clinical Trials for investigative treatments of TS and related disorders in children, adolescents and adults
- Training and Education in TS / Tic Disorders and co-occurring conditions for clinicians and educators
- Statewide Public Health Education and Advocacy
- Close partnership with all Five New York State Chapters of Tourette Association of America
- Consultation-Liaison with Schools, Employers, and Health Care Providers
- Support groups and social gatherings for the TS community with the NYS Regional Chapters
