

All About Me!

NAME:

BIRTHDAY:

What you need to know about my diagnosis

*I have Tourette Syndrome and
sometimes I make movements and
sounds I can't control!*

My favorite things

I like ice cream and Roblox.

Accommodations that are helpful

*It really helps me when I'm allowed
to go on a walk around the
hallway when my tics are
happening a lot.*

Other ways to support me

*Please ignore my tics when they
happen! If you point them out, that
makes them worse for me.*
