

2019 TOURETTE SYNDROME SYMPOSIUM

BRIDGING THE HEALTHCARE DISPARITIES IN TOURETTE

Join Weill Cornell Medical College and the NY State Consortium Centers of Excellence with the Tourette Association of America for a **FREE CME** Tourette workshop for all allied healthcare professionals working with Tourette and tic disorders. This symposium will offer an overview on tic disorders for community healthcare providers to help them accurately diagnose and manage tic disorders and comorbid conditions, with special attention paid to culturally sensitive assessment and treatment of under-represented populations. In a highly interactive format, health care providers will receive practical information and tools for their first patient encounter with Tourette and tic disorders.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Weill Cornell Medical College and the Tourette Association of America. Weill Cornell Medical College is accredited by the ACCME to provide continuing medical education for physicians.

Weill Cornell Medical College designates this live activity for a maximum of 4.25 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Funding for this conference made possible in part by the Tourette Association of America (TAA) and partnership with the Centers For Disease Control and Prevention. The TAA offers education programs and develops resources for medical and allied professionals, educators, individuals and families, and the public on Tourette diagnosis, treatment, and TS and tic disorder management. The TAA conducts outreach and education to communities with limited resources and services for Tourette. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
