

Does Your Child Experience Tics?

Join Our Research Study!

SCAN ME!

You may be eligible to participate in our research study involving a parent-/caregiver-focused group to increase our understanding of tics and provide basic skills related to tics and diagnoses that often occur with tics (such as ADHD, OCD, and anxiety)

You will receive up to \$250 for participating in this study.

We're Looking For: ✨

- Parent of a child (ages 6-17) with tics
- Able to attend an initial eligibility meeting in person or via Zoom
- Available to attend an online group at least once per week for 8 sessions
- Open to completing questionnaires and meeting with our study team for up to 1 year after the group
