

Dine To Donate Fundraisers

What is Dine to Donate?

Give back to the Tourette Association of America while eating delicious food!

A dine to donate event is where a group eats at a restaurant on a specific day and the restaurant gives back a percentage of sales to the group's cause.

Things to Note:

- In most instances, those attending the event will need to mention the fundraiser or bring a flyer with them.
- The fundraiser will work with the restaurant directly to determine how it works for their establishment.
- The fundraiser will need to complete a TAA 501(c)3 form, which we can provide to you.

Ways to Promote the Event

- Social Media
 - Post the flyer to your social media accounts to spread the word and have your friends and family do the same.
- Bring extra flyers with you to the event to pass out to patrons in the restaurant to use.
- Post flyers around town on public bulletin boards.
- Word of mouth - Tell everyone you know!

Participating Restaurants

- In this deck, you will find a list of restaurants that participate in Dine to Donate options across the country.
 - Keep in mind, all franchises work differently. Although they may be on this list, there is a chance that the restaurant in your area may not participate.
 - There may also be restaurants that are not on this list. If you know of another restaurant that participates, please let us know!
 - All franchises may work differently and require different information. If a fundraiser ever needs more information about the TAA to provide to the restaurant, please email jenna.garver@tourette.org

THANK YOU!

Thank you for your interest in fundraising for the TAA! We are grateful for your willingness to support our mission, as your efforts play a vital role in advancing the work we do.

Remember, this deck is not all-encompassing, and we encourage you to consider other restaurants in your area to see if they have a Dine to Donate or fundraising option.

We're excited to partner with you on this journey!
