

Tourette Association of America – Oklahoma Chapter

Post-Secondary Education Scholarship

Essay Form (Revised 10/2020)

Please write an essay, 500 word minimum (double-spaced), describing **a)** yourself, **b)** your experience with having Tourette Syndrome (i.e., how TS has affected you), **c)** the institution you plan to attend, **d)** your current academic major, **e)** your career aspirations, and **f)** your initial plan for your project/activity (which may be modified later) to increase the awareness and understanding of Tourette Syndrome. Examples of how to communicate and thus increase awareness of Tourette Syndrome might include using social media, a student or local newspaper, a class project, or a presentation to a local group (student, staff, faculty, civic or community club). You may consult with a representative of the TAA-OK chapter for feedback about your proposed activity/project. Indicate how your activity/project will help increase awareness of Tourette Syndrome and how you will document and report what you have done to the Oklahoma Chapter.
