

ABOUT THE TAA

The Tourette Association of America (TAA) is the only national organization that works to provide help and hope to everyone impacted by TS and other Tic Disorders through the efforts below.

- **Raise awareness** and **foster social acceptance** through education
- **Invest in research** to advance scientific understanding and care
- **Educate professionals** to better serve the needs of our community
- **Provide support, hope, and help** through extensive resources and a robust network of **TAA Chapters, Support Groups, and Volunteers**
