COORDINATED CARE FOR TOURETTE & TIC DISORDERS

The Tourette Association of America UCLA Center of Excellence (CofE) is home to a multidisciplinary faculty and staff dedicated to increasing the scientific and public understanding of Tourette Syndrome and providing the best possible care for individuals and families living with Tourette Syndrome and related problems.

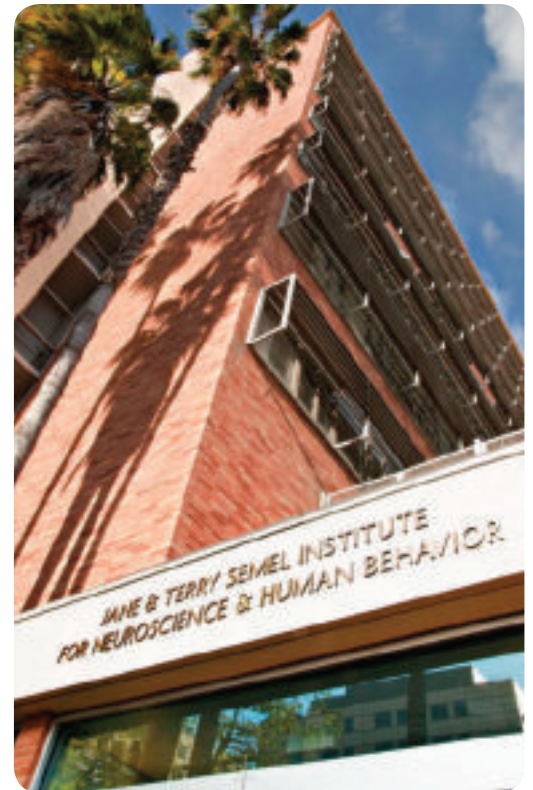

Under the direction of Dr. John Piacentini and Dr. James McCracken, the TAA UCLA CofE provides the highest quality of clinical care, research, education/awareness, and outreach/advocacy.

SERVICES INCLUDE:

- Psychiatry/Psychology
- Neurology
- Comprehensive Behavioral Intervention for Tics (CBIT)
- Neuropsychological and Educational Testing
- School Consultation
- Deep Brain Stimulation (DBS)
- Cutting edge research
- Community Education and Outreach
- Provider training in TS management and treatment
- Tourette Association of America Resources

For more information please call
310-825-0122 or visit ticinfo@ucla.edu

Director: John Piacentini, Ph.D.
Co-Director: James McCracken, M.D.

The Center of Excellence program is part of a larger initiative designed by The Tourette Association of America Center to make life better for all people affected by Tourette and Tic Disorders. Visit tourette.org or call 888-4-TOURET for more information.
